IT WILL ADJUST ITS CATV ATTACHMENT RATES)
AND OTHER MISCELLANEOUS CHARGES)

O R D E R

On August 29, 2000, Blue Grass Energy Cooperative Corporation ("Blue Grass") tendered for filing an application to adjust its rates for CATV attachments and other miscellaneous charges, and included with its application proposed tariffs with an effective date of October 1, 2000. The Commission notified Blue Grass that its application did not meet the minimum filing requirements and Blue Grass subsequently cured the filing deficiencies and its application was accepted for filing as of October 6, 2000.

Pursuant to KRS 278.180(1), no utility may change any rate without 30 days' notice to the Commission. Since Blue Grass cured its filing deficiencies and its application was accepted for filing on October 6, 2000, the earliest date on which its proposed rates can become effective is November 5, 2000. The Commission intends to conduct an investigation of the reasonableness of the rate changes proposed by Blue Grass, and that investigation cannot be concluded before the proposed effective date of the new rates. Therefore, pursuant to KRS 278.190(2), the Commission will suspend for 5 months the effective date of the new rates proposed by Blue Grass.

IT IS THEREFORE ORDERED that:

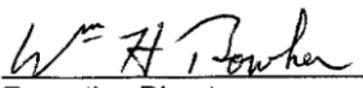

1. The new rates proposed by Blue Grass for CATV attachments and miscellaneous charges are suspended for 5 months from November 5, 2000 through April 4, 2001.

2. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.
